	Size	M : 48 cm / L : 53 cm
	Weight***	24 kg
	Warranty	Frame 5 years, Drive and Battery 2 years

* Battery ranges are provided for guidance only. They are measured following a test protocol defined by Easybike Group or provided by the battery manufacturer. The main factors leading to loss of battery range are: headwind, positive height difference, temperature less than 15°C, under-inflated tyres, user weight greater than the nominal weight defined for our tests (70 kg), wrongly adjusted bicycle, incorrect use of gears.

In order to meet its customers' requirements as much as possible, MATRA reserves the right to modify the characteristics of its products at any time, without notice. Document, information and photos non contractual. Products sold may vary by country. Please contact your authorised Easybike Group distributor.
